Foreword

We are grateful that we may attend school unoppressed and unafraid, and realize that we owe to our country sincere application so that we may be better fit to take our place as citizens in a democracy.

The 1956 Football season was another successful one for the Cardinals. They experienced five wins with only three losses which is a fine record, when we consider that only 10 lettermen returned. There was only one of last year's starting line-up on hand when the season started.
